Application for commutation of pension is to be made by the person concerned within one year after the date of his retirement. Such applications received by the pension sanctioning authorities are required to be forwarded to the audit office as soon as they are received by them. However, it has been brought to the notice of Government that the applications are not being forwarded to audit offices promptly which has resulted delay in payment of commuted value of pension to the pensioner. Government is therefore, pleased to direct that as soon as the application for commutation of pension is received by the Pension Sanctioning Authority, he should acknowledge the same in the form part III prescribed under Government Resolution, Finance Department,
