Appeal in the -

GOVERNMENT OF MAHARASHTRA
Irrigation Department,
Circular No. SUT-1081-529(57)E-14,
Mantralaya, Bombay 400 032, dated the 3rd March 1981.

It has been brought to the notice of Government that in certain Labour cases filed by the labourers of this Department in the Labour Courts against this Department, the Courts gave the decisions in favour of labourers. But the Government went in appeal to the High Court against these decisions which ultimately resulted in non-implementation of the decisions of the Labour Courts and has deprived the labourers of their immediate benefits. As a matter of fact in a progressive state like Maharashtra whose Government is trying to help the weaker sections, it is not proper on the part of Government to prefer an appeal in the High Court when the decision is in favour of the labourers. Government, is, therefore, pleased to direct that in Labour Court cases when decisions are given by the Courts in favour of labourers, no appeals against the decisions of the Labour Courts should be preferred to the High Court unless the decisions given contravene the provisions of the Labour Laws.

By order and in the name of the Governor of Maharashtra,

(Sd.)
S.G. KHALE,
Assistant Secretary.
