R E S O L U T I O N

Government has come across some cases in which the officers mainly from the Education Department who, while holding their charges are required to hold the additional charge of another full-time post and also the additional charge of the part-time charge attached to such additional charges. It is noticed that normally special pay under Bombay Civil Services Rule 9(49) is attached to the subsidiary charges. The question of grant of special pay to the officers for discharging duties of these two additional charges was under the consideration of Government for some time. Government is pleased to direct that -

(i) in cases in which the work relating to subsidiary additional charge is required to be attended to by an officer before or after the regular office hours, the officer should be allowed, the full special pay attached to such additional charges in addition to the additional pay/special pay as admissible under the rules for holding additional charge of the second post;

a n d

(ii) in cases where the work relating to the subsidiary charge is required to be attended to during regular office hours, the rate of special pay should be the same as that would be sanctioned for the main additional charge.

2. The power to decide cases in the above manner should be delegated to the Administrative Departments of Mantralaya.

3. These orders issue with the concurrence of the General Administration Department vide its un-official reference No. 3500/25779-XII, dated 26th August 1979.

By order and in the name of the Governor of Maharashtra,
