In their cases, however, the amount of dearness allowance at the increased rates shall be calculated on the basis of the total of what their pay will be in the pre-1976 scales *plus* proportionate dearness allowance at the 1st January 1973 rates.

(2) The dearness allowance becoming due under these orders should be rounded off to the nearest multiple of 10 paise.

These orders are also applicable to the staff on the work-charged establishment in various departments of Government subject to the conditions that (i) the persons on the work-charged establishment are drawing the same rate of pay as their counter-parts on regular establishments and (ii) the dearness allowance is admissible to them under the general orders of Government.

3. These orders are not applicable to part-time Government servants and casual labourers.

4. The expenditure should be debited to the respective Heads of Accounts to which pay and allowances of the Government servants concerned are debited and should be met from the sanctioned grants.
