GOVERNMENT CIRCULAR MEMORANDUM

The Pay Verification Units were set up in the Finance Department to verify the pay fixed as on 1st April 1966 of non-gazetted employees, who were in service on 31st March 1966 and continued to be so on 1st April 1966, by the departmental authorities under Maharashtra Civil Services (Revision of Pay) Rules, 1969. In order to enable the Pay Verification Units to complete the work as early as possible, instructions were issued from time to time for the information and guidance of all Departmental authorities. The need for paying personal attention to and the urgency of completing this work at the earliest was also impressed upon the departmental authorities more than once in the past. It was also brought to their notice that this task could be completed only with the prompt and full co-operation to the Units from all concerned. Despite all these instructions, it was noticed that the task of verification of pay by the Pay Verification Units could not be completed due to lack of adequate attention given by the Departmental authorities to this work.

The last such instructions were issued under Government Circular Memorandum, Finance Department, No. PVU-1478/General Pay Verification Unit, dated the 2nd June 1978. In response to these, the Departmental authorities presented the Service Books of employees working under them whose pay had not been verified so far. However, it is seen that the Service Books which were presented for verification were sent without complying with the observations made by the Pay Verification Unit from time to time, some of these dating back to the year 1971. In view of this, such Service Books have been returned to the Departmental authorities for compliance with the observations made by Pay Verification Units on earlier occasions. Some of the Service Books have also been returned with fresh objections.

All the Heads of Departments/Offices and Departmental authorities are, therefore, requested to present all the remaining cases of pay verification complete in all respects and after complying the objections raised by Pay Verification Units on earlier occasions, with options and Pay Fixation statements etc. attached to the Service Books, before the end of February 1979,
