C I R C U L A R :

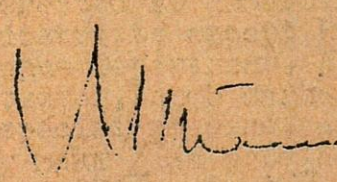

In order to ensure that a uniform procedure is followed in connection with the erection of boundary marks after the enforcement of consolidation schemes and the printing of new maps thereafter, the following instructions are issued for the guidance of all officers concerned :

(1) Single marks should be erected to demarcate the consolidation Blocks in all districts except Ratnagiri (Government Resolution, Revenue Department, No: 663-B dated 13-9-1922). Where, however, such marks are not considered suitable for any special reasons, any other kind of authorized boundary mark as provided in the Land Revenue Rules 25(7) and 27 (proviso), may be substituted, with the Collector's prior sanction.

(2) The intermediate marks between the old Survey Numbers may be removed and new marks should be placed at all corners of the consolidation Blocks and the old Survey Numbers, which are intact, only if the old (pre-consolidation) marks are missing or out of repair.

(3) Before sending the village maps to the Photo Zinco Office for reprinting, all boundary marks should be indicated thereon by the sign "O" [Director of Land Records' Circular No: PZO/Inspn. dated 29-5-1939], and all unnecessary details (such as the old Survey Numbers, Hissa Numbers, their boundaries, the conventional signs of the removed marks, and the signatures of Assistant Consolidation Officer and Consolidation Officer etc.) should be deleted from the maps by the Land Records personnel concerned only (and not left to the Photo Zinco Office for correction, while tracing the maps before reprinting). The words "Village Map after Consolidation of Holdings" should be invariably written (printed) at the top of all such maps.
